NO TIME FOR DEATH

AN INTERACTIVE MYSTERY DINNER THEATRE

Shirley Maxwell has gathered the media together to announce that her company, Wonder Labs, is back on the map with the unveiling of an incredible new invention: a time machine! Insiders say it was invented by lab assistant, Nick Van Castle. Or was it really invented by has-been inventor Nathan Brandmark? Or was it stolen by Nathan who used it to go back in time and claim he invented it? Or perhaps the other way around? There's only one way to find out. Come to the meeting and help us unravel what happened and when. Not only might you learn the truth, Shirley's personal assistant, Jonas, may let you get a peek at his special file marked "Dir."
